In the Matter of **Independent Emergency Services, Limited Liability Company's**  
Request for Approval of Certified Actual  
Costs Associated with the **Lake of the Woods**  
**County** 911 Emergency Telephone Services  
System

ISSUE DATE: August 22, 2000

DOCKET NO. **P5270/ES-00-180**

ORDER APPROVING CERTIFIED 911  
SYSTEM COSTS

**BACKGROUND**

On February 28, 1984, the Minnesota Public Utilities Commission (the Commission) approved Lake of the Woods County's final plan for the establishment of a 911 Emergency Telephone Services System.

On March 4, 1986, the Commission approved the actual costs Wikstrom Telephone Company incurred for placing a portion of a 911 Emergency Telephone Service in Lake of the Woods County.

On January 18, 2000, the Commission approved the actual costs Independent Emergency Services, Limited Liability Company (IES,LLC) incurred for placing a portion of tandem based Automatic Number Identification (ANI) service in the 911 Emergency Services system in Lake of the Woods County.

**CURRENT FILING**

On September 11, 1998, Lake of the Woods County contracted with IES,LLC (the Company) for 911 Emergency Telephone Services.

On January 20, 2000, the Company completed installation of Automatic Location Identification (ALI) services in the Baudette, Northwest Angle, and Williams Exchanges. The Company also installed ALI database ports for Public Service Answering Points (PSAPs) between Hutchinson and Baudette and between Annadale and Baudette.

On January 28, 2000, the Company certified the actual costs it incurred for the provision of ALI service in the 911 Emergency Services system in Lake of the Woods County.

The Company is now requesting Commission approval of the actual system costs they incurred to set up databases and routers for ALI service. Commission approval is necessary before the Department of Administration (DOA) will make payments for 911 system costs.

### **FINDINGS AND CONCLUSIONS**

Minn. Stat. Section 403.11, subd. 3 states:

Subd. 3 (METHOD OF PAYMENT; CERTIFICATION.) A public utility incurring reimbursable costs under subdivision 1 or 2 shall certify those costs to the commissioner of administration. The certification shall be in a form as prescribed by the commissioner after consultation with the public utilities commission. If the commissioner and the commission approve the certified costs as appropriate and accurate, the commissioner shall pay the certified costs from money appropriated for that purpose within 90 days following receipt by the commissioner of the certified costs. The commissioner of administration shall estimate the amount required to reimburse public utilities for the state's obligations under subdivisions 1 and 2 of this section and the governor shall include the estimated amount in the biennial budget request.

IES,LLC has certified, in writing, that the elements of 911 services and associated costs indicated on Attachment A, reflect only charges for services actually rendered in the direct provision of 911 service in Lake of the Woods County.

All charges listed on Attachment A are in accordance with the Company's tariffs.

The Commission finds that the costs for 911 Emergency Telephone Service in Lake of the Woods County which have been certified by the Company are appropriate and accurate.

### **ORDER**

1. The costs identified on Attachment A accompanying this Order are approved as

appropriate and accurate pursuant to the Commission's March 21, 2000 Standing Order Designating Filings Requesting Certification of 911 Costs As Filings Subject to Approval Under Minn. Stat. § 216A.03, Subd. 7, Docket No. P-999/CI-99-1723.

2. This Order does not approve payment of any 911 system costs. Any possible future approval of payment for system costs shall be granted by the Commissioner of the Department of Administration in accordance with the provisions of Minn. Stat. Section 403.11.
3. This Order shall become effective immediately.
